

0,5L EXTRA VIRGIN OLIVE OIL SIÓS EVOO

Extra Virgin Olive Oil (EVOO) 2024 in 0,5l glass bottle.

100% Arbequina Olives from our estate

Extra quality olive oil produced from greenest olives of the Arbequina variety of our estate collected at the beginning of the harvest and cold pressed without filtering.

Balanced fruity, itching and bitterness.

Our **EVOO** is a source of polyphenols and natural antioxidants (vitamin E, oleuropein, oleocantal).

A good **EVOO** is a gift for health and the senses, and something relatively inexpensive. A well presented bottle with extra virgin olive oil of superior quality, used exclusively in raw (for salads, toasts, etc.), will last several months in the kitchen; and of course we will find more fruity nuances, which with little we use, transmit a great flavor and personality to the dishes.
