

Château La Bridane

AC Saint-Julien

| | |
|----------------------------|--|
| Country | France |
| Type | Still wine |
| Color | Red |
| Situation | in Saint-Julien, 37 km north from Bordeaux |
| Owner | the Saintout and Blancan families, since nearly 3 centuries |
| Surface | 15 hectares |
| Soil | steep gravelly soil |
| Average production | 55 hl/ha |
| Grape varieties | cabernet-sauvignon (30%), cabernet franc (30%), merlot (38%), petit verdot (2%) |
| Age of the vineyard | |
| Cellaring | 5 to 15 years according to the vintage |
| Viticulture | manual defoliation, green harvest where necessary to restrict yield, mechanical harvest in order to harvest rapidly and at the right time, manual sorting of the harvest |
| Winemaking | pneumatic press, winemaking in concrete and stainless steel tanks with total temperature control |
| Ageing | during 18 months in oak barrels (1/3 new) in an air conditioned room |
| Tasting notes | This wine has a deep ruby red colour and shows a nice concentration and complexity, with slightly spiced hints and velvety tannins. |
| Note | regularly selected by the Guide Hachette des Vins. |
| Gastronomy | poultry, rabbit, white meat, red meat, meat in sauce, small game, light cheese |
