VINIFICATION

Aragonez and Touriga Nacional ferment, separately, in "vinimatics", rotating vats in order to enhance the various aromas of the variety, while Alicante Bouschet and Cabernet Sauvignon ferment in mechanical treading mills, at a temperature of 22° to 24°C, so to promote the structure, volume and elegance of the grape varieties.

TASTE

It presents aromas of red fruits, complexed by wood. It is velvety, with excellent structure and soft tannins.

LONGEVITY

6 to 8 years

HOW TO SERVE

16°C to 18°
