

EL GORU GOLD

2020

VARIETIES

MONASTRELL
SYRAH
CABERNET SAUVIGNON

VINIFICATION

Hand-harvested grapes from Monastrell, Cabernet Sauvignon, and Syrah varieties, selected through a strict field selection process. Maceration in the winery is carefully monitored until the desired wine profile is achieved. Throughout the process, a pump-over technique called pigeage is used, allowing slower extraction and enhancing the synthesis of varietal aromas. Fermentation temperature is meticulously controlled, with a maximum of 28°C to extract the full potential of the grape varieties. Blending (coupage) is performed before transferring the wine to barrels for aging.

AGEING

Aged for 12 months in first-use American and French oak barrels.

TASTING NOTES

Intense tile-red color, clean and brilliant. Highly complex aromas with notes of ripe black fruit such as blackberry and plum, wrapped in sweet, spicy, and balsamic nuances from the oak. Smooth, broad, and voluptuous on the palate.

FOOD PAIRING

Perfect with grilled meats, stews, legumes, and aged cheeses.

ALCOHOL BY VOLUME

14,5%

SERVING TEMPERATURE

From 12°C to 15°C

RATINGS

2020	91 Pts	James Suckling
